DECODING RIOJA'S DIVERSITY

"Rioja is not a style of wine, it's an entire wine country," asserts Pedro Ballesteros MW. And he is spot on! Today, Rioja offers an array of wine styles and colours, crafted from up to 14 grape varieties, sourced from diverse terroirs and aged in myriad ways.

To "decode" this diversity, we applied a colour code to our logo, in which we highlight five key parameters for each wine.

WINE STYLES

Rioja transcends red wine, with white and rosé wines spanning a wide stylistic spectrum. And since 2017, we've even embraced high-quality sparkling wines.

RED	WHITE	ROSE	SPARKLING
-----	-------	------	-----------

GRAPE VARIETIES

Tempranillo may be iconic, but Rioja boasts a diverse palette of five red and nine white grape varieties. And while blends remain popular, there's a rising trend towards monovarietal wines.

TEMPRANILLO	VIURA	TURRÚNTES	RED BLEND
GARNACHA TINTA	GARNACHA BLANCA	CHARDONNAY	WHITE-RED BLEND
GRACIANO	MALVASÍA	SAUVIGNON BLANC	WHITE BLEND
MAZUELO	TEMPRANILLO BLANCO	VERDEJO	
MATURANA TINTA	MATURANA BLANCA		

ORIGIN

Move beyond regional blends—Rioja celebrates the unique expressions of specific zones, villages, and vineyards. Look for the certified labels of Vino de Zona, Vino de Pueblo, and Viñedo Singular for authentic terroir expression.

RIOJA		
RIOJA ALAVESA	VILLAGE WINE	VIÑEDO SINGULAR
RIOJA ORIENTAL	VILLAGE WINE	VIÑEDO SINGULAR
RIOJA ALTA	VILLAGE WINE	VIÑEDO SINGULAR

AGEING

Rioja stands out for its certified ageing classifications. Crianza, Reserva, and Gran Reserva offer recognizability and trust, appreciated by wine connoisseurs worldwide, while wines outside these ageing categories provide space for creativity and innovation.

NON AGEING CATEGORY	GRAN RESERVA
CRianza	GRAN AÑADA
RESERVA	

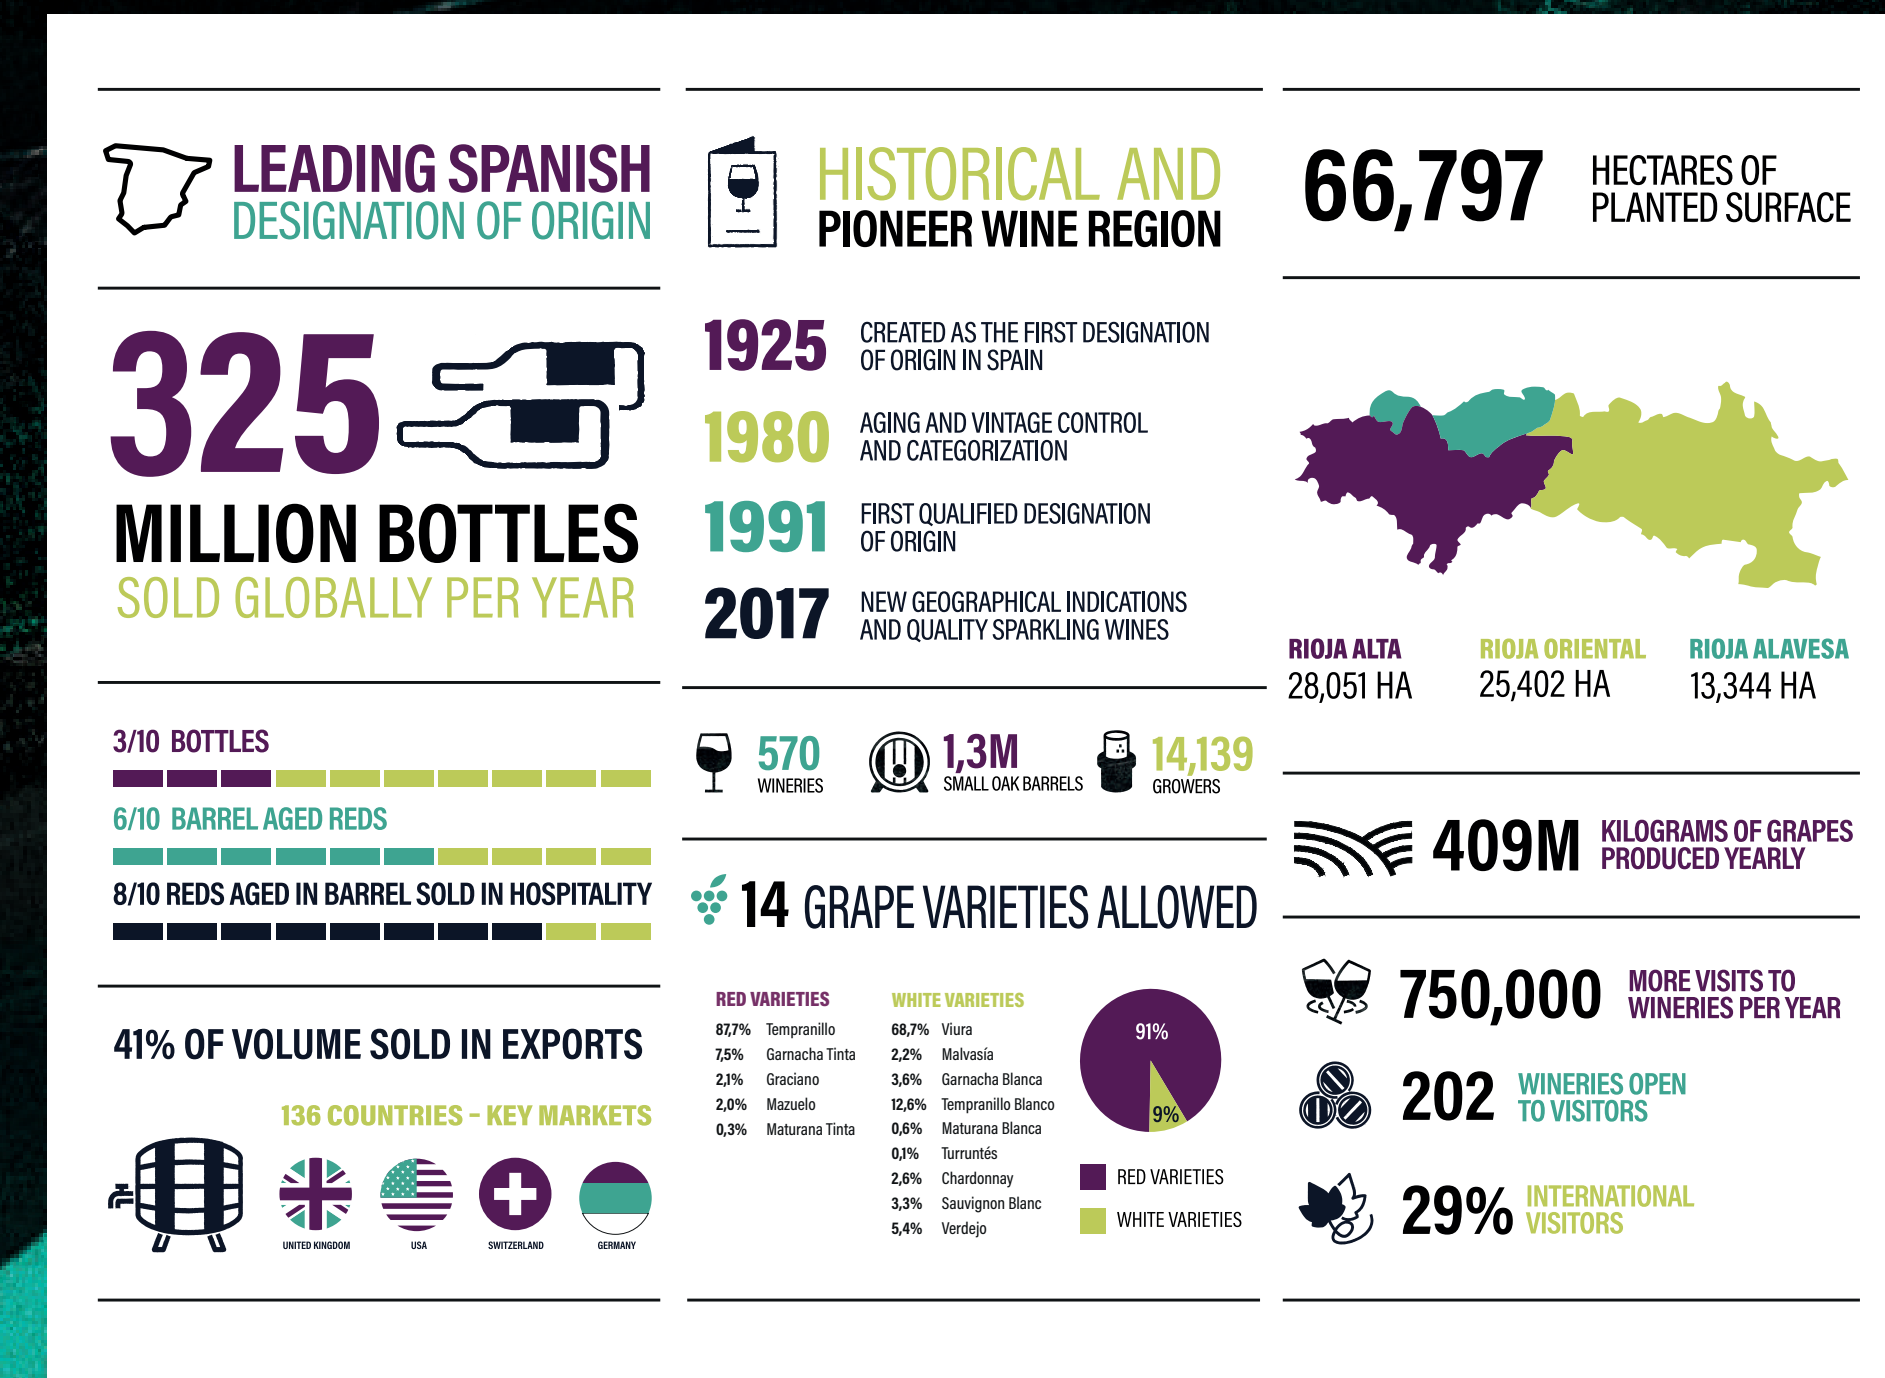

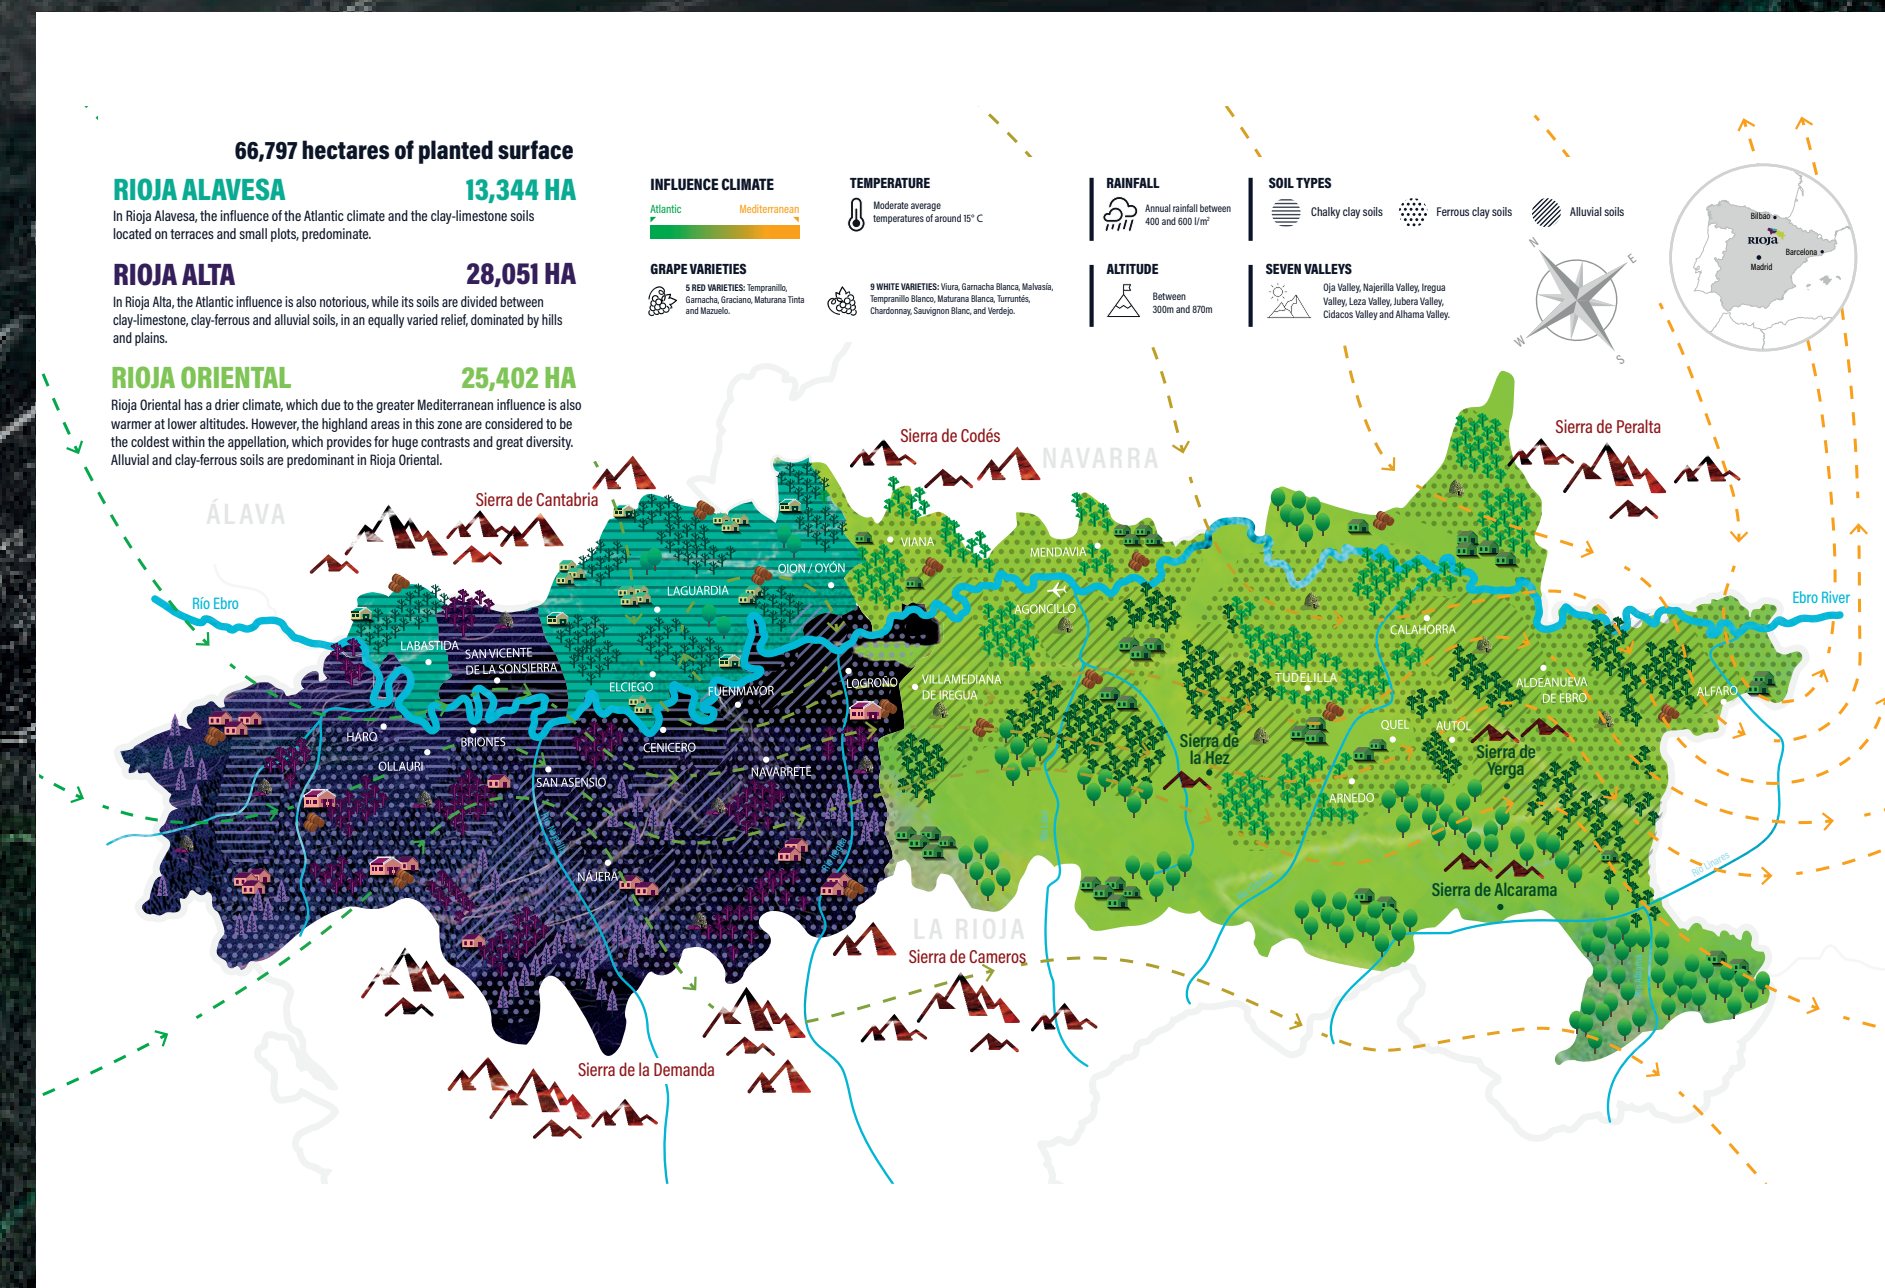

VINTAGES

Vintage matters in Rioja, with a tradition dating back to 1925 of qualifying each year based on quality. It's another layer of distinction in our diverse wine tapestry.

Year	Quality	Year	Quality	Year	Quality	Year	Quality
2023	****	2018	***	2013	***	2008	****
2022	****	2017	****	2012	****	2007	****
2021	****	2016	****	2011	*****	2006	****
2020	****	2015	****	2010	*****	2005	****
2019	*****	2014	***	2009	****	2004	*****
